

Building Multi-Purpose Systems

**Interconnectivity for any application: Plugs, jacks, binding posts**

Creating a new studio? Outfitting a mobile broadcast truck? Or maybe a new audio/video system? For all the gear you design or install, you need a wide variety of connection aids. Pomona offers plugs, jacks, and binding posts to fit diverse applications. Whether you're setting up a complex access panel or need a simple banana plug for a monitor. In the shop, lab, studio, or on the road... Pomona keeps you connected with quality.

**RCA and banana plugs and jacks**

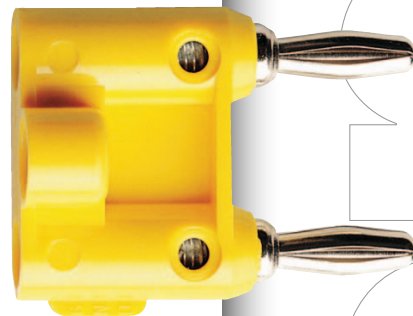

**Features**

- Do-it-yourself 1/4in (stereo and mono) and RCA plugs and jacks.
- 1/4in to RCA converters to attach two different cable types.
- RCA splitter (f/m/f).

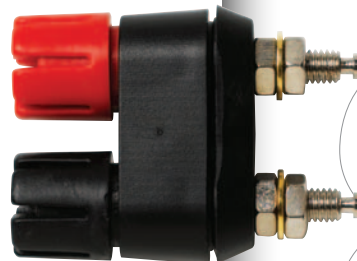

**Binding posts**

**Features**

- Dual binding posts have a large diameter cross hole that allows for connections to wires up to 12 AWG.
- Standard 3/4in (19.05mm) spacing allows connection to industry standard dual banana plugs.
- Two styles offered: standard and raised base versions.
- Slotted post heads for fast and secure wire connection.
